# *Special Care in Dentistry* Subject Index 1993

**ACCESSIBILITY OF HEALTH CARE**
Israeli dentists: a survey of infection control office practices and care of medically compromised patients. Trieger, N., et al., 117
Universal access: are we ready? Fenton, S.J., 94

**ACQUIRED IMMUNODEFICIENCY DISEASE**
AIDS education and training centers (AETCs) as resources. Mulligan, R., 5
Pace of AIDS drugs now picking up. 7

**ADVERSE DRUG REACTIONS**
Use of medications with potential oral adverse drug reactions in community-dwelling elderly. Lewis, I.K., et al., 171

**AGED**
Cohort differences among aging populations: a challenge for the dental profession. Ettinger, R.L., 19
Comparisons between dentist ratings and self-ratings of dental appearance in an elderly population. Matthias, R.E., et al., 53
Dental management of the geriatric patient with major depression. Friedlander, A.H., et al., 249
Dietary intake, food preferences, stimulated salivary flow rate, and mastication ability in older adults with complete dentitions. Ernest, S.L., 102
Elderly nonrespondents to a mail survey: a telephone follow-up. Strayer, M., et al., 245
Factors contributing to dentists' extraction decisions in older adults. Johnson, T.E., 195
Identification of appropriate outcomes for an aging population. Dolan, T.A., 35
Study under way to consider link between aspiration pneumonia and oral health in the elderly. 8
The dental status of dentate institutionalized older adults: consideration of retained roots. Altieri, J.V., et al., 66
Use of medications with potential oral adverse drug reactions in community-dwelling elderly. Lewis, I.K., et al., 171

**AGING**
A personal perspective on growing old. Larue, G.A., 50

**ALZHEIMER'S DISEASE**
Effects of medication on parotid salivary flow rates in an individual with dementia of the Alzheimer type. Fedele, D.J., et al., 215
The future of Alzheimer's therapies. 7

**AMBULATORY CARE**
A prospective survey of hospital ambulatory dental emergencies. Part 1: Patient and emergency characteristics. Gibson, G.B., et al., 61
A prospective survey of hospital ambulatory dental emergencies. Part 2: Follow-up to emergency treatment. Gibson, G.B., et al., 110
Closure of a general practice residency and outpatient program. Brody, H.A., 127

**AMYOTROPHIC LATERAL SCLEROSIS**
Dental management of long-term amyotrophic lateral sclerosis. Case report. Asher, R.S., et al., 241

**ANESTHESIA, GENERAL**
Congenital diaphragmatic hernia: implications for nitrous oxide use in dentistry. Durham, T.M., et al., 107

**ANESTHESIA, LOCAL**
When pharmacologic anesthesia is precluded: the value of hypnosis as a sole anesthetic agent in dentistry. Kleinhauz, M., et al., 15

**APHASIA**
Communicating with the aphasic dental patient. Mowery, A.J., Jr., 143

**ATTITUDE OF HEALTH PERSONNEL**
Use of the SADP for measurement of attitudes of Chinese dental students and dental surgery assistants toward disabled persons. O'Donnell, D., 81

**AUTOIMMUNE DISEASES**
Nitric oxide contributes to inflammatory diseases. 183

**BEHAVIOR MANAGEMENT**
Children behave the same in all dental situations. 52

**BEHAVIOR THERAPY**
Dental fear treatment outcomes for substance use disorder patients. Milgrom, P., et al., 139

**BLOOD TRANSFUSION**
Preanesthetic transfusion and sickle cell anemia patients: case report and controversies. Thornton, J.B., et al., 254

**BODY WEIGHT**
Direct correlation found between body weight and mortality. 228

**BOOK REVIEWS**
86, 130

**CHILDREN**
Children behave the same in all dental situations. 52
Pediatric infection with the human immunodeficiency virus (HIV): head, neck, and oral manifestations. Asher, R.S., et al., 113

**COMMUNICATION METHODS**
Communicating with the aphasic dental patient. Mowery, A.J., Jr., 143

**COMPUTER-ASSISTED INSTRUCTION**
Computer-based instruction for evaluation of oral lesions. Brody, H.A., et al., 146

**CONSCIOUS SEDATION**
A suggested curriculum for teaching conscious sedation in advanced general practice programs: GPR and AEGD. Glassman, P., et al., 27

**DELIVERY OF DENTAL CARE**
Dental management of long-term amyotrophic lateral sclerosis. Case report. Asher, R.S., et al., 241
Dental management of the geriatric patient with major depression. Friedlander, A.H., et al., 249
Medically adjunctive oral health care—Something we can all agree on. Rutkauskas, J.S., 182

**DEMENTIA**
Effects of medication on parotid salivary flow rates in an individual with dementia of the Alzheimer type. Fedele, D.J., et al., 215

**DEMOGRAPHY**
Cohort differences among aging populations: a challenge for the dental profession. Ettinger, R.L., 19

**DENTAL ASSISTANTS**
Use of the SADP for measurement of attitudes of Chinese dental students and dental surgery assistants toward disabled persons. O'Donnell, D., 81

**DENTAL CARE**
A prospective survey of hospital ambulatory dental emergencies. Part 1: Patient and emergency characteristics. Gibson, G.B., et al., 61
A prospective survey of hospital ambulatory dental emergencies. Part 2: Follow-up to emergency treatment. Gibson, G.B., et al., 110
A review of liver transplantation for the dentist and guidelines for dental management. Glassman, P., et al., 74
Dental management of a child with Huntington's disease. Case report. da Fonseca, M.A., et al., 71
Dental management of long-term amyotrophic lateral sclerosis. Case report. Asher, R.S., et al., 241
Dental management of the geriatric patient with major depression. Friedlander, A.H., et al., 249

**DENTAL CARE FOR HANDICAPPED**
Israeli dentists: a survey of infection control office practices and care of medically compromised patients. Trieger, N., et al., 117
Medically adjunctive oral health care—Something we can all agree on. Rutkauskas, J.S., 182
Universal access: are we ready? Fenton, S.J., 94

**DENTAL HEALTH SURVEYS**
A comparison of oral health in spinal cord injury and other disability groups. Stiefel, D.J., et al., 229
A preliminary study into the dental health status of multiple sclerosis patients. Symons, A.L., et al., 96
A prospective survey of hospital ambulatory dental emergencies. Part 1: Patient and emergency characteristics. Gibson, G.B., et al., 61
Comparisons between dentist ratings and self-ratings of dental appearance in an elderly population. Matthias, R.E., et al., 53
The dental status of dentate institutionalized older adults: consideration of retained roots. Altieri, J.V., et al., 66

A comparison of oral health in spinal cord injury and other disability groups. Stiefel, D.J., et al., 229
A preliminary study into the dental health status of multiple sclerosis patients. Symons, A.L., et al., 96
A prospective survey of hospital ambulatory dental emergencies. Part 1: Patient and emergency characteristics. Gibson, G.B., et al., 61
Comparisons between dentist ratings and self-ratings of dental appearance in an elderly population. Matthias, R.E., et al., 53
The dental status of dentate institutionalized older adults: consideration of retained roots. Altieri, J.V., et al., 66

**DENTAL PLAQUE** (prevention and control)
An evaluation of the effectiveness of four mechanical plaque-removal devices when used by a trained care-provider. Kambhu, P.P., et al., 9

**DENTAL SERVICE, HOSPITAL**
Closure of a general practice residency and outpatient program. Brody, H.A., 127
Drug prescription practices of hospital dentists. Rutkauskas, J.S., 205
Roerig fellowship in hospital dental practice. 8

**DENTAL STUDENTS**
Use of the SADP for measurement of attitudes of Chinese dental students and dental surgery assistants toward disabled persons. O'Donnell, D., 81

**DENTIST-PATIENT RELATIONS**
Children behave the same in all dental situations. 52

**DENTISTS**
Drug prescription practices of hospital dentists. Rutkauskas, J.S., 205

**DENTISTS** (statistics)
HHS report: Decline in dentist-to-population ratio. 95

**DEPRESSION, MAJOR**
Dental management of the geriatric patient with major depression. Friedlander, A.H., et al., 249

**DIABETES MELLITUS**
Risk factors identified in periodontal disease and diabetes. 183

**DISEASE VECTORS**
CDC identifies potential tuberculosis spread by monkeys. 183

**DRUG EVALUATION**
Pace of AIDS drugs now picking up. 7

**DRUG THERAPY** (adverse effects)
Effects of medication on parotid salivary flow rates in an individual with dementia of the Alzheimer type. Fedele, D.J., et al., 215

**EATING**
Dietary intake, food preferences, stimulated salivary flow rate, and mastication ability in older adults with complete dentitions. Ernest, S.L., 102

**EDITORIAL**
5, 50, 94, 138, 182, 226

**EDUCATION, DENTAL**
Computer-based education for evaluation of oral lesions. Brody, H.A., et al., 146

**EDUCATION, DENTAL, GRADUATE**
A national survey of medical risk assessment instruction in general practice residency programs. Part III. Kelly, W.H., et al., 184
A suggested curriculum for teaching conscious sedation in advanced general practice programs: GPR and AEGD. Glassman, P., et al., 27
Evaluation of advanced general dentistry education. 176

**EDUCATION, MEDICAL, GRADUATE**
GME legislation draws cautious reaction. 183

**ELDER ABUSE**
A personal perspective on growing old. Larue, G.A., 50
AMA issues its first guidelines on elder abuse and neglect. 7

**EMERGENCIES**
A prospective survey of hospital ambulatory dental emergencies. Part 1: Patient and emergency characteristics. Gibson, G.B., et al., 61
A prospective survey of hospital ambulatory dental emergencies. Part 2: Follow-up to emergency treatment. Gibson, G.B., et al., 110

**ESTHETICS, DENTAL**
Comparisons between dentist ratings and self-ratings of dental appearance in an elderly population. Matthias, R.E., et al., 53

**FEAR (therapy)**
Dental fear treatment outcomes for substance use disorder patients. Milgrom, P., et al., 139

**FEDERATION OF SPECIAL CARE ORGANIZATIONS IN DENTISTRY**
Is the proof still in the pudding? Van Ostenberg, P.R., 226

**FELLOWSHIPS AND SCHOLARSHIPS**
Roerig fellowship in hospital dental practice. 8

**FOLLOW-UP STUDIES**
Late effects of head and neck radiation therapy and patient/dentist compliance with recommended dental care. Cacchillo, D., et al., 159
Nasopharyngeal carcinoma: a 15-year retrospective study. Chapman, K.E., et al., 163

**FOOD PREFERENCES**
Dietary intake, food preferences, stimulated salivary flow rate, and mastication ability in older adults with complete dentitions. Ernest, S.L., 102

**GINGIVITIS**
Periodontal pocketing in HIV-associated periodontitis. Epstein, J.B., et al., 236

**HANDICAPPED**
A comparison of oral health in spinal cord injury and other disability groups. Stiefel, D.J., et al., 229
Use of the SADP for measurement of attitudes of Chinese dental students and dental surgery assistants toward disabled persons. O'Donnell, D., 81

**HEAD AND NECK DISEASES**
Pediatric infection with the human immunodeficiency virus (HIV): head, neck, and oral manifestations. Asher, R.S., et al., 113

**HEAD AND NECK NEOPLASMS (therapy)**
Late effects of head and neck radiation therapy and patient/dentist compliance with recommended dental care. Cacchillo, D., et al., 159

**HEALTH CARE COSTS**
One percent of Americans account for 30 percent of health expenditures. 228
Sepsis infections cost patients 10.6 billion. 228

**HEALTH CARE REFORM**
As task force begins narrowing options, secrecy battle continues. 52
Is the proof still in the pudding? Van Ostenberg, P.R., 226
Medically adjunctive oral health care—Something we can all agree on. Rutkauskas, J.S., 182
New York reform plan urges networking among providers. 52
Organized labor supporting single-payer health care system. 7
States develop health care reform proposals. 7

**HEALTH EDUCATION, DENTAL**
AIDS education and training centers (AETCs) as resources. Mulligan, R., 5
Dental management of the geriatric patient with major depression. Friedlander, A.H., et al., 249

**HEALTH FACILITIES**
The Joint Commission gives more data. 95

**HEALTH SERVICES ACCESSIBILITY**
Project to broaden access to primary care moving forward. 8

**HEALTH SERVICES FOR THE AGED**
Cohort differences among aging populations: a challenge for the dental profession. Ettinger, R.L., 19

**HEALTH SERVICES NEEDS AND DEMAND**
Cohort differences among aging populations: a challenge for the dental profession. Ettinger, R.L., 19

**HEALTH SURVEYS**
Comparisons between dentist ratings and self-ratings of dental appearance in an elderly population. Matthias, R.E., et al., 53

**HEALTH SURVEYS** (methods)
Elderly nonrespondents to a mail survey: a telephone follow-up. Strayer, M., et al., 245

**HERNIA, DIAPHRAGMATIC**
Congenital diaphragmatic hernia: implications for nitrous oxide use in dentistry. Durham, T.M., et al., 107

**HIV INFECTIONS**
Pediatric infection with the human immunodeficiency virus (HIV): head, neck, and oral manifestations. Asher, R.S., et al., 113
Periodontal pocketing in HIV-associated periodontitis. Epstein, J.B., et al., 236

**HIV INFECTIONS** (diagnosis)
Computer-based education for evaluation of oral lesions. Brody, H.A., et al., 146

**HOSPITALS**
Hospitals urged to assess TB prevention plans. 95

**HUNTINGTON CHOREA**
Dental management of a child with Huntington's disease. Case report. da Fonseca, M.A., et al., 71

**HYPNOSIS**
When pharmacologic anesthesia is precluded: the value of hypnosis as a sole anesthetic agent in dentistry. Kleinhauz, M., et al., 15

**INFECTION CONTROL** (methods)
Israeli dentists: a survey of infection control office practices and care of medically compromised patients. Trieger, N., et al., 117

**INFLAMMATORY DISEASES**
Nitric oxide contributes to inflammatory diseases. 183

**INFORMATION FOR AUTHORS**
133

**INSTITUTIONALIZATION**
Oral hygiene care levels in Iowa intermediate care facilities. Kambhu, P.P., et al., 209
The dental status of dentate institutionalized older adults: consideration of retained roots. Altieri, J.V., et al., 66

**INSURANCE, HEALTH**
Survey reveals swelling numbers of middle-class uninsured. 8

**INTERNSHIP AND RESIDENCY**
A national survey of medical risk assessment instruction in general practice residency programs. Part III. Kelly, W.H., et al., 184
Closure of a general practice residency and outpatient program. Brody, H.A., 127
Removal of impacted third molars by oral/maxillofacial surgery and general dentistry residents. Handelman, S.L., et al., 122

**LEGISLATION**
219

**LIVER TRANSPLANTATION**
A review of liver transplantation for the dentist and guidelines for dental management. Glassman, P., et al., 74

**MANDIBULAR NEOPLASMS**
Management of spontaneous osteoradionecrosis: a case report. Southerland, J.H., et al., 200

**MASTICATION**
Dietary intake, food preferences, stimulated salivary flow rate, and mastication ability in older adults with complete dentitions. Ernest, S.L., 102

**MAXILLARY SINUS NEOPLASMS** (therapy)
The utilization of a multi-layer prosthesis to treat recurrent antral carcinoma: a case report and review of the literature. Miller, P.A., et al., 151

**MEETINGS**
89, 131

**MOUTH DISEASES** (diagnosis)
Computer-based education for evaluation of oral lesions. Brody, H.A., et al., 146

**MOUTH NEOPLASMS**
Computer-based education for evaluation of oral lesions. Brody, H.A., et al., 146

**MORTALITY**
Direct correlation found between body weight and mortality. 228

**MULTIPLE SCLEROSIS**
A preliminary study into the dental health status of multiple sclerosis patients. Symons, A.L., et al., 96

**NASOPHARYNGEAL NEOPLASMS**
Nasopharyngeal carcinoma: a 15-year retrospective study. Chapman, K.E., et al., 163

**NITROUS OXIDE**
Congenital diaphragmatic hernia: implications for nitrous oxide use in dentistry. Durham, T.M., et al., 107

**ORAL HYGIENE**
A comparison of oral health in spinal cord injury and other disability groups. Stiefel, D.J., et al., 229
Oral hygiene care levels in Iowa intermediate care facilities. Kambhu, P.P., et al., 209

**ORAL HYGIENE INDEX**
Oral hygiene care levels in Iowa intermediate care facilities. Kambhu, P.P., et al., 209

**ORAL MANIFESTATIONS**
Management of orofacial manifestations of Parkinson's disease with splint therapy: a case report. Durham, T.M., et al., 155
Pediatric infection with the human immunodeficiency virus (HIV): head, neck, and oral manifestations. Asher, R.S., et al., 113

**OSTEORADIONECROSIS**
Management of spontaneous osteoradionecrosis: a case report. Southerland, J.H., et al., 200

**OUTCOME AND PROCESS ASSESSMENT**
Identification of appropriate outcomes for an aging population. Dolan, T.A., 35
California releases hospitals outcomes data. 228

**PARKINSON DISEASE**
Management of orofacial manifestations of Parkinson's disease with splint therapy: a case report. Durham, T.M., et al., 155

**PATIENT CARE PLANNING**
A review of liver transplantation for the dentist and guidelines for dental management. Glassman, P., et al., 74
Factors contributing to dentists' extraction decisions in older adults. Johnson, T.E., 195

**PATIENT COMPLIANCE**
Late effects of head and neck radiation therapy and patient/dentist compliance with recommended dental care. Cacchillo, D., et al., 159
Use of medications with potential oral adverse drug reactions in community-dwelling elderly. Lewis, I.K., et al., 171

**PERIODONTAL DISEASES**
Risk factors identified in periodontal disease and diabetes. 183

**PERIODONTAL POCKETS**
Periodontal pocketing in HIV-associated periodontitis. Epstein, J.B., et al., 236

**PERIODONTITIS**
Periodontal pocketing in HIV-associated periodontitis. Epstein, J.B., et al., 236

**PNEUMONIA**
Study under way to consider link between aspiration pneumonia and oral health in the elderly. 8

**POSTOPERATIVE CARE**
A prospective survey of hospital ambulatory dental emergencies. Part 2: Follow-up to emergency treatment. Gibson, G.B., et al., 110

**PREANESTHETIC MEDICATION**
Preanesthetic transfusion and sickle cell anemia patients: case report and controversies. Thornton, J.B., et al., 254

**PRESCRIPTIONS, DRUG**
Drug prescription practices of hospital dentists. Rutkauskas, J.S., 205

**QUALITY CONTROL**
Evaluation of advanced general dentistry education. 176

**QUALITY OF HEALTH CARE**
California releases hospitals outcomes data. 228

**RADIOTHERAPY** (adverse effects)
Late effects of head and neck radiation therapy and patient/dentist compliance with recommended dental care. Cacchillo, D., et al., 159
Management of spontaneous osteoradionecrosis: a case report. Southerland, J.H., et al., 200

**RADIOTHERAPY (instrumentation)**
The utilization of a multi-layer prosthesis to treat recurrent antral carcinoma: a case report and review of the literature. Miller, P.A., et al., 151

**REVIEWERS**
40, 258

**RISK FACTORS**
A national survey of medical risk assessment instruction in general practice residency programs. Part III. Kelly, W.H., et al., 184
Preanesthetic transfusion and sickle cell anemia patients: case report and controversies. Thornton, J.B., et al., 254
Risk factors identified in periodontal disease and diabetes. 183

**SALIVATION**
Dietary intake, food preferences, stimulated salivary flow rate, and mastication ability in older adults with complete dentitions. Ernest, S.L., 102
Effects of medication on parotid salivary flow rates in an individual with dementia of the Alzheimer type. Fedele, D.J., et al., 215

**SELF-CONCEPT**
Comparisons between dentist ratings and self-ratings of dental appearance in an elderly population. Matthias, R.E., et al., 53

**SEPSIS**
Sepsis infections cost patients 10.6 billion. 228

**SICKLE CELL TRAIT**
Preanesthetic transfusion and sickle cell anemia patients: case report and controversies. Thornton, J.B., et al., 254

**SPECIALISTS**
Removal of impacted third molars by oral/maxillofacial surgery and general dentistry residents. Handelman, S.L., et al., 122

**SPINAL CORD INJURY**
A comparison of oral health in spinal cord injury and other disability groups. Stiefel, D.J., et al., 229

**SPLINTS** (therapeutic use)
Management of orofacial manifestations of Parkinson's disease with splint therapy: a case report. Durham, T.M., et al., 155

**STRESS**
New York reform plan urges networking among providers. 52

**STROKE**
Communicating with the aphasic dental patient. Mowery, A.J., Jr., 143

**SUBSTANCE ABUSE**
Dental fear treatment outcomes for substance use disorder patients. Milgrom, P., et al., 139

**SURVEYS** (methods)
Elderly nonrespondents to a mail survey: a telephone follow-up. Strayer, M., et al., 245

**TOOTH, EXTRACTION**
Factors contributing to dentists' extraction decisions in older adults. Johnson, T.E., 195
Removal of impacted third molars by oral/maxillofacial surgery and general dentistry residents. Handelman, S.L., et al., 122

**TOOTH, IMPACTED**
Removal of impacted third molars by oral/maxillofacial surgery and general dentistry residents. Handelman, S.L., et al., 122

**TOOTH ROOT**
The dental status of dentate institutionalized older adults: consideration of retained roots. Altieri, J.V., et al., 66

**TOOTHBRUSHING** (prevention and control)
An evaluation of the effectiveness of four mechanical plaque-removal devices when used by a trained care-provider. Kambhu, P.P., et al., 9

**TUBERCULOSIS** (epidemiology)
CDC identifies potential tuberculosis spread by monkeys. 183

**TUBERCULOSIS** (prevention & control)
Hospitals urged to assess TB prevention plans. 95

**WIT AND HUMOR**
"Brrringggg." 138
